LET US ENTERTAIN YOU!

Welcome to Weymouth Pavilion, Weymouth's premiere venue for live theatre, music, arts, events and more! Found at the end of Weymouth's award-winning beach, with stunning views across Weymouth Bay, we offer 'something for everyone' no matter what your interests. Our packed programme features a wide variety of world-class entertainment including top comedians, opera, ballet, panto, touring bands, and some of the best tribute acts in the UK. From pop and rock music, to classical and dance, we're sure you'll find something at the Pavilion to suit you!

It wouldn't be Weymouth without our award-nominated pantomimes, with not one but two each year! Our unique summer pantomime Pirates of the Pavilion is returning during the summer holidays to take the whole family on a new swashbuckling adventure! Following last year's record-breaking production of Aladdin, pantomime returns this Christmas with a brand-new show soon to be announced, a high-flying adventure full of fabulous costumes, hilarious comedy, toe-tapping songs, and breath-taking special effects!

Weymouth Pavilion offers more than just top entertainment! The Piano Bar Restaurant, boasting unrivalled views across Weymouth Beach, is open for pre-show meals, serving delicious homecooked food and ice-cold drinks.

WE WELCOME

Weymouth Celebrates 20 years since becoming a UNESCO designated area, 10 years since the London 2012 Games and is still at the forefront of new and exciting events.

With over 1850 hours of sunshine a year, you have arrived in one of the sunniest locations in the UK. Nestled along the Jurassic Coast, Weymouth is often referred to as England's Bay of Naples, and a favourite of King George III. The town's popularity is down to its Blue Flag beach, with soft golden sands and safe sea swimming conditions, as well as its award-winning parks and gardens.

If you wish to explore the town there are heritage trails, treasure trails, boat trips and land tours available, with a land train to transport you along the seafront to the South harbour; adorned with bars and restaurants.

If you're here to relax, why not take some time out to be pampered in one of our salons or spas before visiting one of our award-winning restaurants.

For the more active, there is deep sea diving, paddleboarding, volleyball, open water swimming, as well as the southwest coastal path to enjoy by cycle, horse or foot.

A popular holiday destination for centuries, Weymouth continues to offer a unique staycation experience; freshly caught seafood, a vibrant nightlife with plenty of live music, a wealth of history, sea and countryside as far as the eye can behold, a place where fancy dress is commonplace (including pirates and elves), the shops are unique and the welcome is warm and friendly.
