Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

As specifically detailed below, actions will be taken to address all four licensing objectives. There will be three members of Weymouth Town Council Staff who will hold a personal license, and those working on site and serving alcohol will be trained appropriately, and will be retrained every six months. Staff under the age of 18 will not be in any circumstances permitted to serve alcohol, and if there are no staff over 18 years old on site then no alcohol will be served.

b) The prevention of crime and disorder

- The holder of the premises licence will ensure that no alcoholic beverages, in open/unsealed bottles or glasses shall be taken from the premises.
- A log shall be kept detailing all refused sales of alcohol. The log should include the date and time of the refused sale, a description of the person refused, why they were refused (e.g. no ID, fake ID) and the name of the member of staff who refused the sale. The log shall be available for inspection at the premises by the police or an authorised officer of a Responsible Authority (Licensing Act 2003).
- The Premises Licence Holder/Designated Premises Supervisor (PLH/DPS)/staff will ask for photographic identification in the form of either a passport, EU photographic driving licence or PASS accredited identification, from any person appearing to be under the age of 25 who attempts to purchase alcohol at the premises.
- We have a capacity limit of 30 to prevent overcrowding on the decking which could lead to crime and disorder
- Irresponsible drinks promotions will not be permitted.

c) Public safety

- Steps taken to ensure public safety will include:
- Only the sale of local sourced lagers/beers, ciders and wines. No spirits.
 - There is limited seating on the decking. Circa. 30 covers
 - Hours of operation are only likely to be until 10pm during special events e.g. fireworks.
 - The decking where customers are consuming alcohol is the seaward side of the building, and protected by the kiosk which would deflect any sound customers make.
 - No promotional drinks offers will be used e.g. 'happy hours'
 - All instances of crime and disorder will be reported to the Police as soon as reasonably practicable
 - The premises have current and suitable Public Liability Insurance
 - The premises has suitable fire extinguishers
 - Free drinking water is available at all times
 -

d) The prevention of public nuisance

To prevent public nuisance the following will be in place at the kiosk:

- There is already CCTV installed both internally and externally at the kiosk
- A security alarm is installed at the kiosk, and monitored by a local security firm who attend when it is activated
- Alcohol will be served in plastic or toughened glasses
- Where glass bottles are to be used the contents will be decanted into plastic or toughened glasses where it is not intended that the contents are to be consumed direct from the bottle
- Customers will not be permitted to take open containers of alcohol away from the premises
- The playing of live or recorded music on the decking of the premises is not permitted after 22:00 hrs
- Litter receptacles are placed outside the premises for customers to use and are emptied throughout the day.

e) The protection of children from harm

- The kiosk operates a proof of age policy
- If anyone involved with the licensed premises has concerns about a child's safety and or well-being then they will discuss these with the Police immediately
- Supply of alcohol is not the primary purpose of the kiosk

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
