

## Information available from Weymouth Town Council under the model publication scheme

This policy details the information available from Weymouth Town Council as recommended by the Information Commissioner's Office (ICO) in order to meet the requirements of the model publication scheme.

Information is available unless:

- We do not hold the information;
- the information is exempt under one of the FOIA exemptions or Environmental Information Regulations exceptions, or its release is prohibited by another statute;
- the information is readily and publicly available from an external website; such information may have been provided by the Town Council or on its behalf.
- the information is archived, out of date or otherwise inaccessible; or,
- it would be impractical or resource-intensive to prepare the material for routine release.

The policy is not meant to give an exhaustive list of everything that is covered by the publication scheme and WTC look to provide as much information as possible on a routine basis.

### **Publishing datasets for re-use**

WTC are duty bound to publish any dataset held that has been requested, together with any updated versions, unless satisfied that it is not appropriate to do so. So far as reasonably practicable, WTC must publish it in an electronic form that is capable of re-use.

If the dataset or any part of it is a relevant copyright work and WTC is the only owner, WTC will make it available for re-use under the terms of a specified licence. Datasets in which the Crown owns the copyright or the database rights are not relevant copyright works.

The Datasets Code of Practice recommends that public authorities make datasets available for re-use under the Open Government Licence. The term 'dataset' is defined in section 11(5) of FOIA. The terms 'relevant copyright work' and 'specified licence' are defined in section 19(8) of FOIA.
