Dear Sir or Madam

Notice of Caravan Temporary Campsite Notification - Caravan Sites and Control of Development Act 1960

Proposed Site	Weymouth Rugby Football Club, Monmouth Avenue, Weymouth, Dorset. DT3 5HZ
Location Grid Ref	SY680815
Dates of Event	23 August to 7 September 2024

The Caravan and Motorhome Club is an Exempted Organisation under Paragraph 4, the First Schedule of the above Act, and it holds an exemption certificate issued by Natural England. This allows the Club to caravan on land without a site licence. Such certificates are awarded only to responsible organisations that can demonstrate compliance with the guidelines laid down by the Guide to Camping and Touring Caravan Exemption Certificates.

On those occasions where the Club holds a caravan temporary campsite on land for more than five days under Paragraph 4 to the First Schedule, the Club is expected to notify local planning authorities to ensure there is no valid objection to the land in question being utilised. In this instance, I am writing to notify you about the Caravan and Motorhome Club's **Somerset Centre** temporary campsite which will be taking place on land at the above address and dates, and which is not expected to exceed 80 outfits.

We trust that your Council has no material concerns over this notification, and would be most appreciative if you could use the reference in this letter for any further communications on this matter.

Thank you.

Yours sincerely

Rebecca Newman
Governance Advisor
