## Weymouth Summer Fireworks Feedback 2024

1	Total waste of my council tax money	9/10/2024 7:54 AM
2	Love the fireworks, thank you.	9/10/2024 7:10 AM
3	It's a waste of our money, cannot see the point	9/10/2024 12:37 AM
4	Keep the fireworks!	9/9/2024 5:24 PM
5	Please keep them! They're great and keep me in town rather than going straight home after work! :) plus who doesn't love a firework! It wouldn't be summer without them	9/9/2024 4:36 PM
6	Whilst recognising that weymouth is a resort that needs events to help support the economy, similar consideration is required to the impact that the regularity of the displays have on domestic animals, especially dogs. Additionally, the first step to reducing carbon emissions is evaluating whether you can cease doing something and investigating alternative events that would be a similar attractor with less impact. Weymouth has over recent decades and more recently with the legomen performances demonstrated that there is a real appreciation of live music on the beach. Perhaps resurrect Beach Live - providing a regular future alternative direction incorporating a semi/ permanent performance location within the seafront environment.	9/9/2024 2:57 PM
7	Make them louder!	9/9/2024 2:42 PM
8	Well Done & Thank you! :)	9/9/2024 2:08 PM
9	We loved the fireworks, but the issue was leaving the carpark, we waited over an hour, due to people leaving via the entry but thanks weymouth for the great fireworks	9/9/2024 2:02 PM
10	Love everything about weymouth	9/9/2024 1:56 PM
11	No count down this year before they started and my children love the counting down.	9/9/2024 1:52 PM
12	The pre-firework entertainment by Weymouth Concert Brass and Punch & Judy was fantastic.	9/7/2024 11:31 PM
13	There needs to be some parking enforcement on the night to prevent some really poor parking	9/7/2024 9:59 AM
14	Amazing display as always with plenty of pretty fireworks to see. Well done to all involved and thank you! The display makes our holiday extra special each year and is widely spoken about.	9/7/2024 1:15 AM
15	Please keep the fireworks	9/6/2024 12:17 AM
16	Fireworks should be BANNED. It causes hundreds of deaths of animals and causes complete distress to all the others.	9/5/2024 11:20 PM
17	Great show very good location and spectacular fireworks well worth travelling to	9/5/2024 8:29 PM
18	See them once don't want to see them again. All the homeless in weymouth spend the money on them waste of fund when you hear cut backs everywhere.	9/5/2024 8:18 PM
19	Living close by the noise upsets our dogs a lot. I think quieter ones would be much better	9/5/2024 7:31 PM
20	In the 21st century fireworks displays should be unacceptable 1) pollution levels from sulphur and other chemicals 2) way to noisy 3) boring and old school 4) no consideration for local people and their pets 5) perhaps loo	9/5/2024 7:16 PM
21	Nice to see free events in weymouth we stay in weymouth at least 3 times a year for a week at a time absolutely love the place	9/5/2024 7:09 PM
22	It would be nice to have more cafe open on the Monday night as the boat and view open till late on Monday but the rest of the evenings they were closing at 7 which is such a shame	9/5/2024 6:41 PM
23	Would not bother because I'm not paying for the car parks .rip off. I'm local and have not used the car parks ssince the prices went up.	9/5/2024 6:06 PM
24	Bigger and louder fireworks	9/5/2024 5:31 PM
25	The fireworks are really great. Hope they can continue.	9/5/2024 5:12 PM
26	It a great tourist attraction for all age groups. The louder and higher they were to more we laughed (we had ear defenders on children)	9/5/2024 4:57 PM
27	We were on our annual family holiday, staying in on Greenhill. The fireworks form a lovely part	9/5/2024 3:20 PM

## Weymouth Summer Fireworks Feedback 2024

of our week in Weymouth, along with a number of other events this year. It was fantastic to see the town busy right through the evenings in addition to during the day.

28	We love watching these fireworks when we're down here on holiday, thankyou for putting these on	9/5/2024 9:07 AM
29	This year fireworks displays were brilliant. Lovely bigger, brighter & colourful fireworks.	9/5/2024 7:59 AM
30	Time to take out the appalling bangs,like on the continent .Appalling distress to local pets and wildlife .Also waste of money .One display at end of season would be plenty .Would rather see the money used for anothe thef decent bench in Bond Street ,instead of dreadful concrete bills to sit on .	9/5/2024 6:20 AM
31	Low noise fireworks would be better for the animals and some people. Town gets busy, people spend money locally. Brialliant	9/4/2024 6:34 PM
32	Carparks need Marshalls or one way system for exit, as it took 35 minutes just to leave the carpark due to people cutting in. Also final firework display felt like it should have gone on a bit longer.	9/4/2024 5:54 PM
33	If the cost of the fireworks comes out of of Council Tax then they should be stopped given the state of DCC monies. Nobody decides to come to Weymouth because of these displays.	9/4/2024 4:53 PM
34	Beautiful. Thank you.	9/4/2024 4:13 PM
35	We think the fireworks are terrific. We watched from the Stone Pier Café and it was quite busy. My daughter and grandsons were staying for one of the displays and they loved watching them at the café because it was less crowded than the beach. We also saw the firework barge going past on its way to the beach. Well done the organisers and the display team.	9/4/2024 4:07 PM
36	Please use low noise fireworks	9/4/2024 2:50 PM
37	Fireworks should be silent. They cause distress to pets and veterans with the noise	9/4/2024 2:24 PM
38	Unconvinced that the £33,000 budget is worthwhile or effective. Consider it could be better spend on street scene improvements.	9/4/2024 2:23 PM
39	If the buses were reliable I would have used them, but I didn't fancy waiting 45 minutes if they didn't turn up, as happened last time with the No. 1	9/4/2024 1:07 PM
40	stop them, too much noise for pets and PTSD victims	9/4/2024 12:58 PM
41	The fireworks are frightening for animals and wildlife, and are not sustainable. I don't know if the benefits to the town justify the cost, environmental impact and affect on animals and wildlife	9/4/2024 12:39 PM
42	The amount of litter was disgusting. People these days are so inconsiderate that these sort of events are just becoming problematic. There should just be 1 a year, and the stall holders should pay/ do the clean up. This would also show consideration to those that have problems with the noise.	9/4/2024 11:52 AM
43	Please please please empty the bins at 5pm, so they are ready for the evening rubbish and they won't be overflowing and rubbish ending up on the beach andcinvthe sea. You will never stop the idiots who just leave bottles and cans everywhere, but both times we went my daughter and I picked up left bottles.. then had no where to put them!	9/4/2024 11:36 AM
44	I think the fireworks are generally a good idea, they are beautiful to look at and bring people into the town, potentially helping the local economy. However, I strongly believe that it is wrong to have such loud fireworks, when low noise fireworks are widely available. The loud bangs are extremely distressing to many people, eg those with autism or PTSD, and also to animals, be they pets, wildlife or farm animals. I would be very pleased and grateful if the council were to change to low noise fireworks for the future, surely this is the way ahead.	9/4/2024 11:14 AM
45	Important to retain this attraction and, as resources permit beef it up.	9/4/2024 10:58 AM
46	This is a great attraction and brings lots of revenue to the town	9/4/2024 10:36 AM
47	Fireworks are a complete waste of time and money, and they are far too loud. Disgusting that they can frighten and even kill domestic pets and wild animals. Please CANCEL this useless event, save money, and spend it on more important things.	9/4/2024 10:35 AM

## Weymouth Summer Fireworks Feedback 2024

48	Should be forced to use low noise fireworks to help animals etc.	9/4/2024 10:06 AM
49	It would be nice if you had at least 1 of the silent/quieter displays during the season.	9/4/2024 9:37 AM
50	It's great having the fireworks on Monday at the end of a long weekend in Weymouth	9/4/2024 9:30 AM
51	Would prefer noisier fireworks! ( even though I have dogs who are nervous of them!)	9/4/2024 9:08 AM
52	NO NOISE FIREWORKS WOULD BE BETTER ESPECIALLY BECAUSE OF PEOPLE AND AMIMALS THAT ARE SCARED.	9/4/2024 8:17 AM
53	Money going up in smoke for 10minutes of fireworks	9/4/2024 8:15 AM
54	Please don't mess around with 'silent' fireworks ... they are rubbish!	9/4/2024 8:09 AM
55	Keep them coming	9/4/2024 8:02 AM
56	Both the displays we watched were excellent. Well done Weymouth.	9/4/2024 7:55 AM
57	Excellent, thank you Weymouth Council	9/4/2024 7:54 AM
58	Could we have quite fireworks my cat gets very upset and caused high anxiety for him.	9/3/2024 8:49 PM
59	Just need to reduce the loud explosions. Causes distress to wildlife and pets. Herring Gulls go scatty. Volume of noise could be reduced.	9/3/2024 5:38 PM
60	The PA system wasn't loud enough on parts of the seafront	9/3/2024 2:50 PM
61	Firework displays are expensive and damaging to wildlife and the environment. There can be no justification for them	9/3/2024 1:49 PM
62	Lower sound would be great	9/3/2024 1:13 PM
63	Loved it. Fantastic atmosphere for all to enjoy.	9/3/2024 11:49 AM
64	Dog owner so I got as far away from the event as possible. These regular events are a nightmare and keep us away from Weymouth so we spend our time and money elsewhere.	9/3/2024 8:43 AM
65	Some as Low noise would be appreciated please	9/2/2024 8:58 PM
66	Do not like fireworks due to my own dog been petrified plus 100s of other animals and wildlife plus people who are afraid	9/2/2024 4:41 PM
67	Do not use quiet fireworks 👍	9/1/2024 8:37 AM
68	We usually came to town for dinner and spent the evening in the town. They were very good this year. Last year they seemed a little flat sometimes but definitely better this year. It's great the amount of people it brings in to town and the atmosphere is fantastic. Thank you for organising them.	8/30/2024 9:14 PM
69	They are WAY too loud. I don't think less volume decreases the spectacle but it does affect anyone who is not choosing to watch them and animals. PLEASE REDUCE THE NOISE.	8/30/2024 4:36 PM
70	One of the highlights of our holiday. Also loved the carnival and fireworks that were on then too	8/30/2024 4:06 PM
71	I live on Portland with my dog. The noise is enough to have her on edge even at home. It would be nice to be able to attend but I don't like the noise either and couldn't leave the dog unattended. Low noise/silent fireworks, even on just 1 night would be lovely	8/30/2024 11:33 AM
72	We're a fan of traditional fireworks rather than low sound, we feel if you choose to go to watch explosives you should be prepared for the noise. Traffic is horrendous and the busses are too full which puts us local people off going to watch.	8/30/2024 11:24 AM
73	Complete waste of money - invest in more permanent tourism. Like rainy day activities for children. These fireworks are excessive and grandiose I spoke to tourists who commented the same and couldn't understand why such an extravagant show was put on. Plus it's so late at night when children should be in bed.	8/30/2024 9:36 AM
74	Such a fantastic tradition for weymouth!	8/30/2024 8:46 AM
75	How lovely it is to see a council really investing into their town and keeping it thriving. Free toilets, spotless streets and beautiful gardens, as well as fantastic free events like this ❤️	8/30/2024 8:18 AM

## Weymouth Summer Fireworks Feedback 2024

76	The fireworks need music added to them	8/29/2024 11:58 PM
77	Perhaps more advertisement wirh local hotels, businesses	8/29/2024 5:54 PM
78	Live music and fireworks make Weymouth a great place to visit	8/29/2024 10:51 AM
79	Didn't attend so last 5 questions were irrelevant. I don't like noisy fireworks because of the trauma they give suffers of PTSD and animals, both wild and domestic	8/29/2024 10:37 AM
80	When are we going to switch to laser drones? Fireworks are reaching the end of their lifetime with the distress caused to some people and animals.	8/29/2024 4:56 AM
81	I really like spending money on my grandchildren, every night on the fireworks I give them £10 each for the arcades, then, I'll go down to the pub and pay for everyone's pint. Then, I'll go back to my house, take pictures of me in my stone island jacket, then put it on Facebook, you've got to get the badge in.	8/29/2024 2:48 AM
82	They are essential for tourists	8/29/2024 1:57 AM
83	why on a monday? you're not attracting much in the way of day trippers then. and all the hawkers around do they have trading licences? seem to be making a mint off of what my council tax pays for	8/28/2024 11:50 PM
84	Brilliant job and fantastic for the tourists and locals alike. You do the town proud	8/28/2024 10:13 PM
85	Fireworks were fantastic - have been meaning to go for ages as had seen on Facebook & looked really good. It was such a great atmosphere & very popular and such a lovely event to be held for holiday makers & locals - thank you	8/28/2024 8:58 PM
86	Stayed in Haven Seaview so didn't have far to travel for the fireworks but come from Bristol. Amazing firework display and really hope to see it again next year.	8/28/2024 8:50 PM
87	Spectacular display.	8/28/2024 7:18 PM
88	Love them and love them for our guests. As an alternative would a drone display be possible?	8/28/2024 6:43 PM
89	We shared a portion of chips each time we attended. We only missed the last one as we were away on holiday. We all (family of 4) thought they were amazing this year, better than last year. Thank you, we really enjoyed them and it was lovely to see so many people on the beach enjoying them too. I've ticked yes for carbon emissions as I love that idea but would that mean lowering the quality of the display to cover costs? If so then I'm more torn with my answer.	8/28/2024 6:34 PM
90	Don't bring back the low noise ones. This years fire works were some of the very best displays Weymouth has ever had. Well done all involved.	8/28/2024 5:28 PM
91	Fantastic firework displays! I would have seen every one of them if I could. Thank you! N.B. Would it be possible to have them on a different day of the week? Our relatives who live much further away often visit us in the summer but cannot attend the display as they have to return home for work on Monday.	8/28/2024 5:23 PM
92	Absolutely brilliant displays this year!	8/28/2024 4:57 PM
93	Fireworks are very bad for the environment. I do not think that WTC should spend council tax payers money on them.	8/28/2024 4:51 PM
94	I think Weymouth provides an incredible amount of entertainment throughout the year. Thank you!	8/28/2024 4:37 PM
95	Add a summer stage along side this event for local bands and acts and give people a longer reason to spend money and enjoy the town within the evening	8/28/2024 4:12 PM
96	Can see display from sitting room window/garden. Dogs hate it. Silent displays last year OK. Why none this year?	8/28/2024 4:09 PM
97	A Mardigra would be more fun and probably make the shops restaurants more money for the one night a week. And with no cost really for the council, apart from sorting road closer and getting vendors 🙌	8/28/2024 3:12 PM
98	Be nice to see / watch street performers along the seafront. Something more awe inspiring than Punch and Judy.	8/28/2024 2:40 PM
99	Whole family loves seeing the fireworks and think it's a great draw for tourists and locals	8/28/2024 1:07 PM

## Weymouth Summer Fireworks Feedback 2024

100	I would much prefer the fireworks if they were lower to no noise. There is no need for them to make any noise at all.	8/28/2024 12:50 PM
101	Really enjoyed them, would have watched every set of I hadn't have been working. Thank you.	8/28/2024 11:09 AM
102	The fireworks are great! We often host friends and family who come to weymouth specifically for fireworks night and who have meals and drinks in town prior to the fireworks. Our dogs are not bothered by them as we sit further down the beach. Thank you all who arrange such fantastic events	8/28/2024 10:50 AM
103	We watched from the wonderful Stone Pier Cafe at the Nothe where there was pre fireworks music and a great family atmosphere	8/28/2024 10:44 AM
104	Make it more of an event after they finish	8/28/2024 9:45 AM
105	Would be good if they could run slightly earlier but I know it needs to be dark for them to be effectivw	8/28/2024 9:37 AM
106	They are nice to look but so disruptive and upsetting for dogs and wildlife so on balance, Id have to say that I'm against them. Could we be more creative and do something different each monday night and just have fireworks on maybe the first and last Monday's of the season?	8/28/2024 9:21 AM
107	We live in Upwey which is a few miles from the beach and the fireworks were so loud we could hear them from home quite clearly. It's time for quieter fireworks so not everyone has to cope with the noise	8/28/2024 9:11 AM
108	Lovely events, bringing people together for enjoyment and excitement- thank you	8/28/2024 8:59 AM
109	We would love to come and see the fireworks but have a dog who is absolutely terrified of fireworks to the extent we have to sedate her, keep the television on full blast to try and drown out the noise. It is really distressing to see her. Please, please consider low noise fireworks in the future.	8/28/2024 8:44 AM
110	Always such a wonderful evening and a brilliant event? Keep them going! It would be great if you could work with First Wessex to provide extra buses on Routes 8, 12, 13 and X53 as far as Bridport and X54 maybe to Osmington. I'm sure they would be packed out like the services that are running are. Also the extra 4 services weren't advertised much in advance or featured in the timetable, just mentioned in a social media post. This would help to offset carbon emissions rather than just tree planting.	8/28/2024 8:43 AM
111	Thank you for putting on the fireworks. We love the fireworks but leaving the seafront at the end of the evening is incredibly busy. Could the fireworks be at 9pm? Children are incredibly tired by 9.30pm. Thank you to Dave for hosting the fireworks! He always does a brilliant job! Loved the competition to win money at Alexandra gardens but couldn't get to them to enter. Could there also be an online entry?	8/28/2024 8:35 AM
112	I didn't go to see them as I have to sit with my terrified dog, I'm scared to leave her in case she had a heart attack.Why no silent fireworks or less noisy please.	8/28/2024 8:34 AM
113	They need to be lower noise an far more buses on to accommodate people also trying to find a space to watch them as a wheelchair user is really difficult	8/28/2024 8:31 AM
114	Great to see summer fireworks. Keep them up.	8/28/2024 8:30 AM
115	No bangs. Have music	8/28/2024 8:15 AM
116	Why on a Monday and not at the weekend	8/28/2024 8:13 AM
117	Well done. Brilliant event	8/28/2024 8:02 AM
118	1 or 2 shows with reduced noise would be welcomed	8/28/2024 7:59 AM
119	Quieter fireworks preferred as they upset our pup	8/28/2024 7:41 AM
120	If fireworks must be held then please make them all lower noise, preferably cancel them	8/28/2024 7:34 AM
121	Silent fireworks please. Our dog just can't cope with the noise, but he loves an evening stroll	8/28/2024 7:07 AM
122	Amazing displays	8/28/2024 6:53 AM
123	Low noise fireworks wouldbe great as we could stay longer not worried about our dogs,at home	8/28/2024 6:14 AM

## Weymouth Summer Fireworks Feedback 2024

124	9pm would be better as 9.30pm is slightly too late, or make the last one earlier only	8/28/2024 5:56 AM
125	Want bigger & longer fireworks	8/28/2024 12:25 AM
126	Quieter fireworks would be nice and more respectable. Friday would definitely be a better day. Lots of us have work the next day on a Monday so I didn't go to a couple for this reason. Firework Friday would be a lot nicer and more enjoyable. I'm also more likely to walk in to Weymouth and spend more money at the seafront bars and food venues	8/27/2024 11:24 PM
127	Thanks - we love the fireworks! 😊	8/27/2024 11:09 PM
128	Would like to see some of the summer fireworks be autism friendly ...my little girl struggled with the noise which was a shame even with ear defenders	8/27/2024 11:03 PM
129	Please bring back the low noise fireworks - our autistic daughter has enjoyed them in years gone by but couldn't this year, as too loud & overwhelming	8/27/2024 10:58 PM
130	Instead of loud fireworks which are a trigger to some people why not use the pre existing cannot system to play a soundtrack instead? Music can be a good tool to create an atmosphere and is less harmful to those who have PTSD or are neurodivergent.	8/27/2024 10:37 PM
131	Low noise fireworks would enable both my child and their assistance to attend	8/27/2024 10:35 PM
132	Would be nice to have them set to music and have other things going on along the esplanade.	8/27/2024 10:34 PM
133	Thank you for our amazing displays, we are very lucky to have this free entertainment every year.	8/27/2024 10:34 PM
134	Silent fireworks for people with additional needs	8/27/2024 10:20 PM
135	The noises are not necessary for the enjoyment of the fireworks	8/27/2024 10:12 PM
136	While I appreciate money is tight, they didn't last as long as they did years ago. Personally I think less often but longer displays.	8/27/2024 9:59 PM
137	Better than ever this year	8/27/2024 9:49 PM
138	Don't support fireworks for reasons such as frightening for animals, veterans and drone light displays would be better for all to enjoy.	8/27/2024 9:29 PM
139	I would absolutely love if all the fireworks were low noise ones, I understand some people enjoy the noise, personally it doesn't bother me, but my son is noise sensitive and he always wants to join in but then has a panic attack. I also work with SEN kids who would LOVE the visuals but not the noise. Even if it could be half and half. We live in southill and I have to block my sons ears watching from his bedroom window :(	8/27/2024 9:29 PM
140	Amazing evenings this summer - thank you	8/27/2024 9:02 PM
141	Well worth the visit	8/27/2024 8:53 PM
142	Excellent event - Weymouth is our favourite place and we holiday every year in October. Due to the fireworks we now do camping in August so we can see the fireworks which normally fall around the same time as my son's birthday. Thank you Weymouth	8/27/2024 8:51 PM
143	New Years Eve fireworks would be even better	8/27/2024 8:47 PM
144	Please do not ever use lower noise fireworks. They spoil the enjoyment and ruin the atmosphere. Normal, loud fireworks are the only way to go	8/27/2024 8:44 PM
145	Really dislike fireworks. Far too noisy and an expensive waste of money. Disruptive for wildlife pets and lots of people who hate noise	8/27/2024 8:42 PM
146	It's the only thing you do thats for the local residents, shame people only come into Weymouth at night when parking is free, don't visit during the day	8/27/2024 8:26 PM
147	PLEASE, PLEASE use the lower noise ones, o have 3 fogs that are terrified. Also we have a fabulous veterans weekend but we don't think about them on a Monday night during the summer	8/27/2024 8:23 PM
148	Thank you	8/27/2024 8:09 PM
149	We enjoy the fire works, the loud bangs are always good, gets children and even adults going	8/27/2024 8:01 PM

## Weymouth Summer Fireworks Feedback 2024

	wow	
150	Noise of the fireworks is very unsettling for our dog. The plus to it is that it is organised and we are aware of them, so can sort accordingly so that the dog is not affected too much.	8/27/2024 7:54 PM
151	I would prefer for laser light show to music. Some domestic animals get very stressed & wildlife is scared off. It's not environmentally friendly & a waste of money & resources.	8/27/2024 7:36 PM
152	Few more food stalls would be good	8/27/2024 7:29 PM
153	Loved the firework displays. I think it brings family, friends and the community together. It's great it's a free event too in a world where costs are ever rising. Would be great if it the events could offset some carbon emissions some how.	8/27/2024 7:22 PM
154	I can see the fireworks from where I live but have to stay in the farthest room from the beach as my dog is terrified. I live on the top of Southill	8/27/2024 7:20 PM
155	Love the whole thing , didn't like last year with low noise, I work around weymouth and a lad said this year wouldn't be quiet ones otherwise I wouldn't have came down it's not the same , BIGGER THE BETTER	8/27/2024 7:14 PM
156	As a local feel like they are only put on for the holiday makers.	8/27/2024 7:14 PM
157	Was brilliant, loved them. We can see them from home too	8/27/2024 7:01 PM
158	The only downside to this is leaving the car park behind Weymouth Pavilion after the fireworks have finished. I parked there on the first night and it took me just over an hour to get out of the car park and go along the seafront. I think there needs to be some sort of trap control in place here.	8/27/2024 6:51 PM
159	Absolutely brilliant displays	8/27/2024 6:42 PM
160	Whilst I can understand some people complain about the noise of the fireworks, we attended a lower noise firework night a couple of years ago and it wasn't as good. I appreciate that it can affect some individuals or pets but as the events are advertised well in advance of when they are held those with concerns could decide not to attend or make alternative arrangements.	8/27/2024 6:40 PM
161	Great event enjoyed by so many. Well done	8/27/2024 6:34 PM
162	Excellent display 👍	8/27/2024 6:30 PM
163	Should be sponsored by those that make thousands out of them selling food etc not local residents	8/27/2024 6:28 PM
164	We couldn't hear them due to distance but low noise would be good for animals around.	8/27/2024 6:08 PM
165	Weymouth was positively buzzing on Bank holiday Monday	8/27/2024 5:46 PM
166	We look forward to this every year and thank you	8/27/2024 5:45 PM
167	Brilliant displays, proud to live here.	8/27/2024 5:44 PM
168	This year was particularly good. The first night a family on holistic how amazing Weymouth is. Have seen low noise fireworks before both here in previous summers and other locations they are completely under whelming, and not worth the £'s	8/27/2024 5:43 PM
169	Not possible to use alternative travel (no public transport, unsafe to walk / cycle & too far) so have to drive if visiting. Car parks can be too busy. Fireworks need to be animal friendly. If we did go see them then we would eat too so likely spend would be £100 approximately.	8/27/2024 5:39 PM
170	It's a waste of money, pretty tho they are and far too loud	8/27/2024 5:33 PM
171	Please keep them going I am from portland and I used to love going to see them as a little girl and now I take my own children! It's an amazing thing that we get to experience!	8/27/2024 5:30 PM
172	The summer Monday night fireworks remain a highlight of living in Dorset for me! The event we attended this year was the traditional loud fireworks, but previous years with low noise have been equally enjoyable. The evening was really well organised with visible police presence, which was reassuring as it was shortly after the summer riots. Perhaps more advertising encouraging locals to have a 'holiday at home' evening would be beneficial, as lots of locals didn't know about it / saw it as just for holidaymakers, rather than an event that also included us.	8/27/2024 4:53 PM

## Weymouth Summer Fireworks Feedback 2024

173	I think fireworks are a waste of money - going up in smoke! The noise level this year was far too loud - frightening animals. Council should spend that money on worth while projects.	8/27/2024 4:48 PM
174	Fantastic event in Weymouth, keep up The good work, mabe extend to an Xmas showing, Easter	8/27/2024 4:47 PM
175	Would be good if it was supplied by a local company like Anytime Fireworks	8/27/2024 4:46 PM
176	Fantastic display again this year, we love watching the fireworks on our annual 2 week stay in Weymouth.	8/27/2024 4:45 PM
177	We visit Weymouth every year and the fireworks display is definitely a highlight!	8/27/2024 4:45 PM
178	The displays were amazing and well presented. Thank you	8/27/2024 4:25 PM
179	This year's fireworks were the noisiest ever, we live at Broadway and could clearly hear them.	8/27/2024 4:24 PM
180	I do not attend if it's low noise fireworks	8/27/2024 4:19 PM
181	I would prefer NO fireworks	8/27/2024 4:17 PM
182	Would like the fireworks to be silent, due to having an anxious dog. And due to me having ptsd and autism.	8/27/2024 4:15 PM
183	Please consider bringing some lower noise displays back. For autism, dementia, PTSD sufferers, babies, animals and many others that cannot cope with the loud ones. Thank you. 😊	8/27/2024 4:10 PM
184	Parking was awful. Took an hour to get out of the Pavilion carpark. We won't come into Weymouth next time, but maybe park elsewhere and view from a distance. The display was amazing though. We all loved it.	8/27/2024 4:09 PM
185	Thanks for the fireworks this year, makes me proud to live here	8/27/2024 4:01 PM
186	Looking forward to next year's fireworks.	8/27/2024 3:56 PM
187	Was nice to be able to see them from the far end of the dog friendly beach where we could desensitise the dog to the noise and vision Thank you	8/27/2024 3:53 PM
188	Maybe use the local firework company to offset the carbon footprint a little more.	8/27/2024 3:47 PM
189	Love them and think they are such a beautiful thing for the area	8/27/2024 3:44 PM
190	Lower noise fireworks on some of the nights (not all), as daughter loves fireworks but struggles with loud noises. Also maybe a market/food stalls etc in town on fireworks nights. Didn't use the rides as quite expensive if you have more than 1 child.	8/27/2024 3:44 PM
191	Whilst I enjoyed the fireworks this year I was disappointed by the lack of inclusivity and the decision not to put any low noise displays. We would have attended more if they had been on offer again. Last year we attended almost every display!	8/27/2024 3:41 PM
192	I think the fireworks are great. Much prefer the ones with noise	8/27/2024 3:40 PM
193	I really enjoyed the brass band playing on the seafront before the fireworks. It made a proper evening out. Thankyou	8/27/2024 3:28 PM
194	Fabulous displays. We attended displays 2, 4 and 5 and the last two displays were fantastic.	8/27/2024 3:22 PM
195	Well done Weymouth and everyone else involved.	8/27/2024 3:18 PM
196	Fireworks were amazing just wish they were quieter for animals	8/27/2024 3:17 PM
197	I think the money would be better spent to help the town rather than explode a couple of thousand pounds into the air every week. What about a laser light show instead- much kinder to people pets too	8/27/2024 3:12 PM
198	We live locally and thoroughly enjoyed all 5 fireworks displays. I thought they were even better than last year and it was so lovely to see the town busy in the lead up to the show. We own a local business and notice a dramatic increase in custom during Monday evenings thanks to the display. We sincerely hope they are in place next year. We especially like the loud full noise displays and hope they continue for all 5 shows.	8/27/2024 3:11 PM

## Weymouth Summer Fireworks Feedback 2024

199	I live just under a mile from the town and love walking down to watch the fireworks. I am happy with the louder ones as I think it adds more to the experience. The quieter displays that they trialed last year were nice but the atmosphere wasn't the same.	8/27/2024 2:59 PM
200	Didn't attend because I have an Acquired Brain Injury due to surgery to remove a brain tumour in October 2023. I am now sensitive to noise and get confused in busy conditions. I do enjoy firework displays but cannot deal with the noise any more.	8/27/2024 2:59 PM
201	Didn't go . Had to stay home with the dogs as they panic when they hear loud bangs from fireworks .	8/27/2024 2:56 PM
202	Excellent show throughly enjoyed it. Wish we could have come to all of them	8/27/2024 2:56 PM
203	Great displays. Keep up the tremendous work.... if people or dogs don't like the noise there are quieter parts of the beach for them to go to!!!!	8/27/2024 2:50 PM
204	Well done Weymouth a good event for residents and holiday guests alike	8/27/2024 2:48 PM
205	be nice to have some stalls or something. and the toilets need to be open later on fireworks night I can't believe they locked so early even the disabled ones	8/27/2024 2:46 PM
206	Low noise fireworks woybevmuch better	8/27/2024 2:35 PM
207	A fantastic evening. So lovely to see crowds if people out enjoying themselves. Kids playing on the beach, watching Punch & Judy in the dark, and enjoying the cafés open along the Prom. Really excellent.	8/27/2024 2:31 PM
208	Enjoyed thank you , nice to see something for my council tax 😊	8/27/2024 2:31 PM
209	I like the use of double decker busses as it helps us locals get home. Maybe more frequent on fireworks night.	8/27/2024 2:27 PM
210	We live about a mile from the beach so could see the fireworks from the garden, so didn't need to walk down every week. I have no complaints about the noise. Even my cat wasn't bothered so I don't think they were that loud. I think it's a fabulous event and should be continued every summer.	8/27/2024 2:26 PM
211	As a local i feel they are not as good as previous years	8/27/2024 2:25 PM
212	Traffic is horrendous after the event but not sure how this could be improved	8/27/2024 2:25 PM
213	The fireworks were great and we look forward to watch them again next summer. Well done 🧨	8/27/2024 2:24 PM
214	Great fireworks would be good if you did them new years eve	8/27/2024 2:21 PM
215	They were fantastic, better than previous years	8/27/2024 2:20 PM
216	This is a fantastic event and have been coming for year. Really hope it continues	8/27/2024 2:20 PM
217	Stop the fireworks as they upset animals even from a great distance - Preston. They are frightened for much longer than just 15mins.	8/27/2024 2:19 PM
218	Please stop wasting money which could be spent on more worthwhile things. The fireworks terrorise our pets every Monday.	8/27/2024 2:12 PM
219	Could the fireworks start at the beginning of the school hols. Eg next year from July 21st 2025.	8/27/2024 2:10 PM
220	Fireworks should be banned: they upset my dogs. Also, they are an extreme waste of Council funds and my Council Tax precept, paid in good faith, which would be better spent in supporting local services.	8/27/2024 2:07 PM
221	Unable to leave the house and see the fireworks as the dog is terrified	8/27/2024 1:57 PM
222	For the entire family to enjoy the fireworks please could you consider starting the show slightly earlier around 8.30pm as this year's was too late for the younger children	8/27/2024 1:57 PM
223	There needs to be these sort of events for children. Cannot be taken away due to elderly people complaining. Soon there won't be anything to do if things like this get taken away for young children and families.	8/27/2024 1:52 PM
224	I really enjoyed them	8/27/2024 1:49 PM

## Weymouth Summer Fireworks Feedback 2024

225	I love the fireworks , always a good evening on the beach with my family. Please don't change it. They are good the way they are.	8/27/2024 1:44 PM
226	Please please have some (at least) of them without the noises...	8/27/2024 1:42 PM
227	We love the Monday night fireworks, it's the highlight of our week and so good for the town.	8/27/2024 1:36 PM
228	The fireworks are great for visitors and locals. Businesses really benefit too.	8/27/2024 1:31 PM
229	Would be better with low noise fireworks	8/27/2024 1:31 PM
230	Come every year for the last 30 years we love the fireworks and weymouth thank you	8/27/2024 1:23 PM
231	I wish that you would go back to low noise fireworks or, better still, drones to do the display maybe to music if you have to have sound. So many people and animals are traumatised by the sound of fireworks that its cruel to continue with displays just for tourists entertainment. I like near upwey train station and the bangs this year were so loud i could clearly hear the whole display every time, including when i put on ear defenders. For once, join on the bandwagon & do what other areas are doing with drones, they give a much better display anyway!	8/27/2024 1:22 PM
232	The display seemed quieter than others, however I think it would be good to use low noise fireworks every time, the effects on animals and humans who have sensory or PTSD related to loud noises is extremely debilitating, even when expected it can still trigger those symptoms.	8/27/2024 1:00 PM
233	We were down weymouth from the Saturday to the Wednesday the fireworks were amazing the best firework display I've ever seen and watched them last night on social media they were also awesome	8/27/2024 12:50 PM
234	Fantastic evening...thank you Weymouth....see you next year.x	8/27/2024 12:49 PM
235	I live close to town and on firework nights parking near my house is awful. I work as a nurse associate so my shift ends as everyone is leaving for the displays. It would be appreciated if parking arrangements were put in place for these events. The displays are also quite distressing for animals who don't understand what the loud bangs are so less noise would be better.	8/27/2024 12:46 PM
236	Please make them low noise and silent its been hell for me and my dog your wasting money and causing unnecessary suffering for animals and people ! Please think	8/27/2024 12:43 PM
237	Please make this survey available via libraries, local hubs and to our SENDs schools and facilities	8/27/2024 12:37 PM
238	Please include no sound fireworks so those with additional needs can also enjoy them	8/27/2024 12:35 PM
239	The time should be 9 p.m.	8/27/2024 12:22 PM
240	They could have been longer	8/27/2024 12:21 PM
241	We really enjoyed the displays - well done	8/27/2024 12:19 PM
242	The Weymouth team have once again done an amazing job with the fireworks schedule. You all go above and beyond to make it a huge success, draw in and keep crowds of people in the town to enjoy Weymouth and spend their money in the town. Keep the fireworks and other events going, make them big and the louder the better - don't let folk quieten them down, they just won't appeal in the same way. To be honest, the last firework seemed louder than all the rest which absolutely made it! Well done team. Cheers Gary & Sarah Paramore 07770 968339	8/27/2024 12:17 PM
243	Lovely displays	8/27/2024 12:16 PM
244	Great summer fireworks well done everyone involved	8/27/2024 12:15 PM
245	Far too noisy. They were terrifying unfortunately. Please use lower noise fireworks in the future. Thank you.	8/27/2024 12:06 PM
246	Highlight of the summer. Always fabulous to watch	8/27/2024 12:01 PM
247	I love that you do the free fireworks, we always make it part of our holiday plans. However i think if you charged a tiny amount say £1 per person or collections on the sea front. You could make it longer and better. Keep doing it though please. Amazing!	8/27/2024 11:51 AM
248	Not worth travelling , finding some where for parking just for 8 mins of money going up in the	8/27/2024 11:34 AM

## Weymouth Summer Fireworks Feedback 2024

air every thing is over priced to buy for the kids would be better off doing a drove light show which London did amazing

249	Amazing shows, such a great spot for fireworks. Bigger and louder next year please.	8/27/2024 11:24 AM
250	Really loved the fireworks this year. I think they are getting better every year. Much prefer the loud shows with the bigger fireworks.	8/27/2024 11:24 AM
251	The summer shows in Weymouth are a brilliant event. We come every year and it really brings the town alive. So vibrant and atmospheric. You can really sense the excitement in the town as the time for the fireworks gets closer. Keep up the good work	8/27/2024 11:22 AM
252	I don't know if it's been moved further back in the bay? It feels like they aren't as loud anymore which is disappointing	8/27/2024 11:22 AM
253	Keep up the great shows!!	8/27/2024 11:18 AM
254	A great attraction which sells and promotes our beautiful town at its best. We come every week every year and it was the busiest I have ever seen Greenhill Gardens last night	8/27/2024 11:12 AM
255	The fireworks were brilliant this year, better than last year. The fireworks company are very talented in what they do. Maybe as a suggestion, display done with music.	8/27/2024 11:11 AM
256	Brilliant evenings, always nice to see many people enjoying themselves. Good for our local trade. Definitely repeat next year	8/27/2024 11:02 AM
257	What happened to the quieter fireworks to support those with ADHD, PTSD as well as pets and local wildlife	8/27/2024 10:56 AM
258	It would be great to have music playing over the tannoys especially the last 45mins/half hour when people start gathering in their 'spots', also more management around parking needs to be explored for example, cars parked on double yellows alongside pavillion & all within pavillion car park on Mon 27th was extremely dangerous as this blocked emergency vehicle access and also caused more problems for vehicles trying to exit the car park safely	8/27/2024 10:47 AM
259	Would rather have just 1 display then saved monies could be spend on cutting/weeding to tidy up scruffy appearance of weymouth	8/27/2024 10:35 AM
260	I'm concerned how much money goes up in smoke for less than 10 minutes of eye candy. At least drone shows don't pollute the environment with spent cartridges and don't scare people and animals. They are amazing when coordinated with music.	8/27/2024 10:16 AM
261	Fabulous displays each time, well done to all involved.	8/27/2024 10:14 AM
262	They were amazing thank you so much.	8/27/2024 10:06 AM
