**HYMN**

*1. God is our strength and refuge, Our present help in trouble; and we therefore will not fear, though the earth should change! Though mountains shake and tremble, though swirling floods are raging,*

*God the Lord of hosts is with us evermore!*

*2. There is a flowing river, Within God's holy city; God is in the midst of her - she shall not be moved! God's help is swiftly given, thrones vanish at his presence-*

*God the Lord of hosts is with us evermore!*

*3. Come, see the works of our maker, learn of His deeds all powerful; wars will cease across the world when He shatters the spear! Be still and know your creator, uplift Him in the nations-*

*God the Lord of hosts is with us evermore!*
