# Privacy Notice

*Hendy Group – Hendy Iveco* – hereinafter referred to as the “Company” - desires to inform you about how your personal data is collected, processed and protected:

## 1. Purpose and procedure for the processing of data

The personal data you have provided (“Data”) will be processed for the following purposes:

- a) perform sales contract and/or service agreement in order to fulfil the Company’s contractual obligations;
- b) managing the business relationship with you or your organization, including performing warranty services, processing payments, accounting, auditing, billing and collection and related support services;
- c) allowing the Company to perform surveys on customers satisfaction (“Customer Satisfaction”) related to the quality of goods and services according to the Company legitimate interest;
- d) subject to your express consent, sending commercial communications as well as sending advertising on Company products and services, or performing market researches (“Marketing”).

Data is collected and processed on the basis of the contract and of the Company’s explicit and legitimate interest for the processing under points (a), (b) and (c), subject to your express consent for the marketing purposes detailed under (d). Please be aware that, if you have given your consent, you may withdraw it at any time.

The Company would inform you that Data may be processed in hardcopy, by automated or electronic means including via mail or e-mail, phone (e.g. automated phone calls, SMS, MMS), fax and any other mean (e.g. web sites, mobile apps).

## 2. Consequences of failure to provide Data

Submitting Data is never mandatory. However, not providing Data that is necessary to perform a sale or provide a service or product and that is marked as mandatory may prevent us from providing the required service or the product or may result in a suboptimal provision of the required service or product. On the other hand, not providing Data whose provision is marked as optional will allow you to access the service or to receive the product anyway.

## 3. Data transferred to the manufacturer

In the course of our activities Data may be shared and communicated to IVECO Limited and to the subsidiaries and affiliates of the Iveco Group and joint ventures participated, directly or indirectly by Iveco Group (see the list on the "Annual Financial Statements Report" published on the website [ivecogroup.com](http://ivecogroup.com)), authorized workshops, service providers, based into and outside of the United Kingdom (UK), which are under specific contractual obligation and may use it solely for the fulfilment of the purposes listed below:

- a) fulfill the obligations regarding warranty and product safety; carry out assistance services also through the authorized workshops network; answer and satisfy every customer request; send any communications of a technical and / or organizational nature; conduct surveys aimed at improving the quality of the services provided, by virtue of the legitimate interest of the manufacturer;
- b) subject to your express consent, communicating Data to IVECO Limited and to the subsidiaries and affiliates of the Iveco Group and joint ventures participated, directly or indirectly by Iveco Group with the purpose of sending commercial communications as well as advertising on their products and services (“Marketing third Party”).

## 4. Other Data Recipients

The Data may be communicated to third parties to fulfill the purposes listed above, to comply with legal obligations, to execute Public Authorities orders or to exercise a Company right before judicial authorities

## 5. Data transfer outside UK

Within its contractual relations, the Company may transfer the Data in countries outside of the United Kingdom (UK), including store them in databases managed by entities acting on behalf of the Company. Databases management and Data processing are bound to the purposes of the processing and are carried out according to applicable data protection law.

In case the Data are transferred outside of UK the Company will use any appropriate contractual measures to guarantee adequate protection of the Data, including – among others – agreements based on appropriate Data Protection Clauses applicable to the transfer of personal data outside the UK.

## 6. Data Controller and Data Protection Officer <if appointed>

The Data Controller is Mark Busby, with registered office in , School Lane, Chandler's Ford Industrial Estate, Eastleigh, Hampshire, SO53 4DG. You can contact the Data Protection Officer at the email address [mbusby@hendy-group.com](mailto:mbusby@hendy-group.com).

## 7. Data retention

The Company maintains Data in its systems and archives for as long as necessary to pursue the purposes described in this Privacy Notice taking into account, when applicable, legal and contractual requirements.

The Company may continue to store Data for a longer period, as may be necessary to protect its interests related to potential liability connected to the provision of the services or products.

Data processed for Marketing and Profiling purposes will be retained until you withdraw your consent and, in any event, in accordance with the above-mentioned principle and the guidelines provided by the relevant Privacy Authorities in this respect.

## 8. Your rights

You can exercise the following rights:

- right to access means the right to obtain from the Company whether your Data are being processed and, where applicable, have access to them;
- right to rectification and right to erasure means the right to obtain the rectification of inaccurate and/or incomplete Data, as well as the erasure of Data when the request is legitimate;
